

has been acquired by

Aionex

The undersigned acted as financial advisor to

Princeton Softech

Princeton Softech, Inc.

Tobin & Company Investment Banking Group LLC acted as financial advisor to Princeton Softech, Inc. Princeton Softech was acquired by Aionex, a healthcare solutions company.

Princeton Softech, Inc. provided enterprise data archiving and test data management software. The company offers Princeton Data Ace, a data management tool that accelerates testing, as well as Version Merger, an intelligent version reconciliation tool, which accelerates the upgrade process. They also offer project mentoring, systems consulting, and training programs.
